

CTS Evaluation in 2 Phases

Phase I: Quantitative – 700 records representing over 17,000 data points

- **Scope and Reach:** *What has been the scope and scale of CTS efforts in reaching people throughout Vermont, and beyond?*
- **Nature of the Collaboration:** *How has CTS worked as a partnership and with key stakeholders to advance gender equity?*
- **Impact Areas:** *How has CTS worked across the eight designated impact areas and what has been accomplished as a result?*

Phase II: Qualitative – Interviews with 19 CTS stakeholders

- *Conducted by Dr. Jennifer Jewiss with a focus on: Strengths, Accomplishments, Challenges, Lessons Learned from Design + Structure, and Legacy*
