

SPONSORSHIP OPPORTUNITIES LIFT UP VERMONT'S WOMEN & GIRLS

Collective philanthropy powers the Vermont Women's Fund's mission to drive structural change to advance gender equity and justice in our state. For more than 30 years, we have seen the lasting impact that comes from people joining together to empower women. Through these shared efforts, we have been an enduring resource for women and girls, investing more than \$5 million in programs and organizations committed to our vision of Vermont as a place where all women and girls thrive.

Join our movement as a Vermont Women's Fund Sponsor

With your partnership, we are able to build on our grantmaking and program successes year after year. Standing together, your support helps us:

- Elevate women leaders who shape our communities
- Promote economic security for families across Vermont
- Foster access to education and healthcare

WHY SUPPORT US

When women are afforded equality and opportunity, their economic achievements at both individual and community levels are striking. Research shows that 90 percent of a woman's income goes directly back into the community. When women hold assets or gain income, the money is more likely spent on nutrition, medicine, and housing, having a much wider impact on families and children.

Our grantmaking supports the advancement, self-sufficiency, well-being, and economic and social equality of women and girls. In 2025, we saw an unprecedented need, with a 33% increase in grant applications. Responding to this growing demand will depend on the continued generosity of our long-standing donors and sponsors, alongside new partners who are ready to help fuel our work.

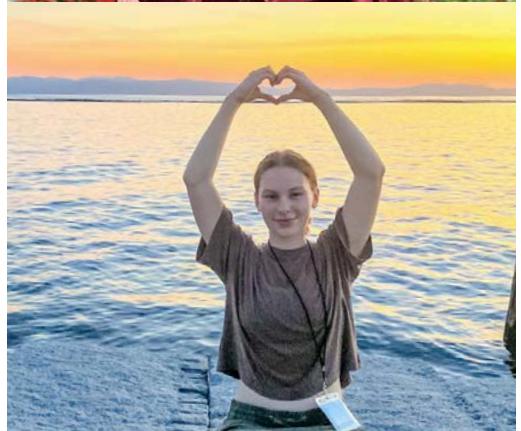

Your sponsorship will help us host a series of events across the state, as well as our signature Annual Celebration that convenes, connects, and advocates for Vermont women and girls.

2026 SPONSORSHIPS

Support the Vermont Women's Fund

The Vermont Women's Fund **invites businesses to join us in making a statewide impact**. Your sponsorship will support our programs and events, bringing together changemakers and community members to advance the systemic empowerment of women and girls in Vermont. This includes Annual Celebration, our largest event that helps fuel our annual statewide grantmaking, critical to our ongoing success. We will also host several events around the most pressing issues facing our women and girls. These will include the launch of our newest data report on the status of Vermont's women and girls in collaboration with Vermont Works for Women and the Vermont Commission on Women.

Your sponsorship will be recognized in our regular communications and at regional events - large and small. Sponsors and host committee will receive ticket(s) to the Annual Celebration and a special reception beforehand.
